« Oil & Gas » Markets

Equipment dedicated to the exploitation of the oil fields:

- Drilling: ENTP, ENAFOR, PRIDE etc....
- Services: SCHLUMBERGER, EXPRO, GEOSERVICES, etc....
- Producers: TOTAL, BERKINE, SONATRACH, GDF, etc....

F.C.E QUALITY POLICY

F.C.E is **ISO 9001** certified since October 23rd, 2006 and is now accredited to the 2008 version

F.C.E's challenge is to meet its customers expected needs and satisfy our own ISO requirements.

In order to accomplish this, with all the means at our disposal (technical expertise, engineering resources, QA/QC, manufacturing flexibility and finally human resources / financial experience), processes are being continually developed to meet this challenge.
