

FLUID CONTROL ALGERIE

Tel: 00 (213) 29 73 73 35/ 73 40 41 E-mail: fca-services@fce.fr, fca@fce.fr
Adress: Zone d'Activité n° 3 Lot 17 BP 506 Hassi-Messaoud (w) Ouargla 30500

Major companies working in Algeria like ENSP, BERKINE, SCHLUMBERGER, etc... have shown their interest to have on-site a technical service adapted to inspection and recertification of their HP equipment with trained personnel.

FCA is based in Hassi Messaoud since 2001. It employs ten people and has an excellent reputation in Algeria.

F.C.A's mains activities are:

- Technical and commercial assistance
- Control and replacement of defective parts
- After sales services
- Re-certification service, approved by the competent authorities
- Inspection and re-certification service of COFLEXIP® hoses, accredited by TECHNIP Flexi-France.
